This notice is required by the Healthcare Reform Law. It explains differences in the restrictions for annual dollar limits for group, individual; and student plans. It also gives notice to students under age 26 to check the parent's employer or insurance policy for enrollment eligibility.

Your student health insurance coverage, administered by Associated Insurance Plans (AIP) may not meet the group health or individual insurance minimum standards required by the health care reform law for the restrictions on annual dollar limits. The annual dollar limits ensure that students have sufficient access to medical benefits throughout the annual term of the policy. Restrictions for annual dollar limits for group and individual health insurance coverage are \$1.25 million for policy years before September 23, 2012; and \$2 million for policy years beginning on or after September 23, 2012 but before January 1, 2014. Restrictions for annual dollar limits for student health insurance coverage are \$100,000 for policy years before September 23, 2012, and \$500,000 for policy years beginning on or after September 23, 2012, but before January 1, 2014. Your student health insurance coverage put an annual limit of: \$100,000 on covered essential health benefits and other benefits including but not limited to: ambulatory care; emergency services; hospital services; maternity and newborn care; prescription drugs; laboratory, x-ray, and diagnostic services; preventive; chronic disease management; rehabilitative and habilitative care. Be advised that you may be eligible for coverage under a group health plan of a parent's employer or under a parent's Individual health insurance policy if you are under the age of 26. Contact the insurance carrier or plan administrator of the parent's employer plan or the parent's individual health insurance issuer for more information.

If you have any questions or concerns about this notice, contact Associated Insurance Plans at 800-452-5772. **To the best of our knowledge, this plan is in compliance with the Affordable Care Act (ACA).**

POLICY TERM

The insurance under Dominican University Accident and Sickness Insurance Plan for the Annual Policy is effective 12:00 a.m., Central Standard Time on July 1, 2012 for International Students and for all other students, on August 23, 2012. An eligible student's coverage becomes effective on that date or the date the application and full premium are postmarked and received by the Company or Plan Administrator, whichever is later. The Annual Policy terminates at 11:59 p.m. Central Standard Time on August 31, 2013 or at the end of the period through which the premiums are paid. Coverage is effective 24 hours a day on a worldwide basis. Benefits under this program are renewed annually.

ELIGIBILITY

All full-time students of Dominican University under the age of 65, who are enrolled for six (6) credit hours or more per semester are eligible to participate. All international students are required to participate and will be automatically enrolled in this plan. The charge for the insurance will appear on your Student Account unless equal or superior insurance coverage can be documented by submitting a waiver form to AIP before the October 1, 2012 waiver deadline.

Except for medical withdrawal due to a covered Injury or Sickness, any student withdrawing from school during the first 31 days of the period for which coverage is purchased (annual, fall, spring, or summer), shall not be covered under the Policy and a full refund of the premium will be made. Unless otherwise noted, there is no provision for cancellation.

ELIGIBILITY (CONTINUED)

Students withdrawing after such 31 days will remain covered under the Policy for the full period for which premium has been paid and no refund will be available, except for active participation in the armed forces.

If and when the Company determines that eligibility requirements have not been met, coverage will be terminated. Students must actively attend classes for at least the first 31 days from their effective date of coverage, or the entire period for which coverage is purchased, whichever is the lesser, except in the case of medical withdrawal (as verified and approved by the school). The Company maintains its right to investigate student (and dependent) status and attendance records to verify that the policy eligibility requirements have been met. If and whenever the Company discovers that the policy eligibility requirements have not been met, its only obligation is refund of premium less any claims paid.

OPTIONAL - ADDITIONAL PREMIUM REQUIRED DENTAL/VISION/PHARMACY DISCOUNT PLAN

Additional premium required (see rates listed below).

- No Claim forms
- No Waiting Periods
- No Pre-existing Conditions
- No Deductibles or Maximums
- No Age Restriction
- Discount is immediate at time of service
- Over 100,000 participating providers nationwide

The Co-Health Group Collegiate plan has been specifically designed to meet the needs of today’s College and University students, whether they are incoming freshmen, graduate, evening students, international or domestic students attending Dominican University.

The Co-Health Benefit Plan provides discounts in certain health care areas not normally reimbursed by insurance. In the “Collegiate Plan” we are offering the Vision, Dental and Pharmacy Discount Program as a single package of Benefits, or you may purchase discounts for pharmacy or vision separately. Here’s how the plan works.

This is not an Insurance Plan. The Co-Health Group Collegiate Plan is a Discount Care Plan offering discounts and savings for Vision, Dental and Prescription Pharmacy expenses.

Each of the benefit programs (Vision, Dental, and Prescription Pharmacy) has a network of Providers (for example, the participating dentists in the Dental Plan.) As a member of the Plan you can go to any of the providers listed and purchase their products or services on a negotiated discount basis. You receive your discount/savings on the spot. There are no exclusions for “pre-existing” conditions. There are no claim forms to fill out and no paperwork to be filed. Simply show your Co-Health membership card at the time of your scheduled appointment or at a participating pharmacy.

The discounts you will receive are substantial and these savings can be very important to you. The services that make up the Collegiate Plan (Vision, Dental and Pharmacy) are also the three most common areas where you will have unexpected expenses. With our Benefits, you can substantially reduce your out of pocket expenses, and as an added bonus, you can use our plan benefits anywhere in the United States, except the State of Washington.

You simply show your Co-Health ID Card and get your discount on the spot.
