WHO IS AFFECTED?

All full-time undergraduate students who are taking 12 credit hours or more and all international students who are here on a F1 or J1 visa.

KNOW YOUR OPTIONS

Keeping the campus and YOU healthy and having access to healthcare is an essential part of a successful academic life. Now more than before many options exist for students to be insured:

1. You can be insured on your family plan until you are 26 years old
Meet the insurance requirement by documenting your existing health insurance through our waiver process at dominicaninsurance.com.

Document your existing coverage by September 1, 2014. Your existing plan must meet federal requirements. Once approved, this will waive the student health insurance requirement.

2. Enroll in Student Health Insurance
Dominican hosts a high quality and affordable health insurance plan for all students taking six or more hours. It is available on a voluntary basis for part-time and graduate students taking six or more hours per semester. To learn more and enroll visit dominicaninsurance.com.

3. Get covered now by County Care (Cook County) or Medicaid
Individuals with annual incomes under \$15,000 and that cannot afford health insurance, you can apply for County Care (Cook County) or Medicaid.

You still need to meet the September 1, 2014 deadline to document your health insurance on our waiver request form, so enroll now. Information is available at Access Community Health Network (773) 247-2085 or at Cook County Health System (855) 444-1661.

County Care Income guidelines and citizenship requirements apply.

WHY NOW?

Students who do not document their coverage by September 1, 2014 will be automatically enrolled for each semester in the student health plan, with the premium of \$925 for the fall semester, \$1,125 for spring/summer

semester. It will be charged to their student account.

You may choose to enroll early—before Sept 1, 2014—for the full year a for a full year at a cost of \$1,850, a \$200 savings. If you need help enrolling or documenting your coverage, contact Dominican's Wellness Center at (708) 524-6229 or wellness@dom.edu.
